Dolly is a 9 month old chocolate Lab/Pit Bull mix puppy now at our Dog Center, originally from Hempstead Shelter. She weighs about 40 lbs, is playful and energetic.

Gus is a Shepherd/Keeshond mix at our Dog Center, originally from Hempstead Shelter. He's about 6-7 years old, weighs approximately 70 lbs. and is a mellow fellow

ROLLO, a happy purebred Mini Pincher, weighs 21 pounds, is about 8 years old, very affectionate with people and gets along with other dogs.

He was found as a stray in Hempstead Village and is at our Dog Adoption Center in Lindenhurst. Rollo is on daily medication for hypothyroidism and ready for a home of his own.

This little guy will make an excellent companion dog. He's a sweetie pie!

Roxy (Beagle) and Angel (Chihuahua) are victims of our economic times. These two 5 year old cuties were raised together from puppyhood and were turned into the Hempstead Shelter by their family because they lost their home.

They are as sweet as can be with lots of love to give and would love to go their new forever home together.
